SUMMARY

Product leader with an engineering and consulting foundation, moving into enterprise sales. Built production software, advised B2B software clients at BCG, and owned an \$8M product line as a PM, consistently the technical closer in the room on competitive enterprise deals. Looking for a quota-carrying AE or Sales Engineering seat at a technical B2B SaaS company where deep product credibility wins deals. San Francisco, in-person or hybrid.

EXPERIENCE

NORTHWIND

2023 – Present

Senior Product Manager

San Francisco, CA

- Owned the enterprise-tier roadmap for a B2B workflow-automation platform; grew the product line from \$3M to \$8M ARR over two years
- Served as technical closer on 30+ enterprise deals, running product evaluations, security reviews, and executive demos for the two largest logos signed in 2025
- Built the win/loss program that lifted competitive win rate from 38% to 52% and reoriented the roadmap around what actually closed
- Shipped a self-serve integration framework that cut enterprise onboarding time by 40%

BOSTON CONSULTING GROUP

2019 – 2021

Consultant

San Francisco, CA

- Advised B2B software clients on go-to-market, pricing, and sales-force effectiveness; staffed primarily on SaaS cases
- Designed a sales-territory and quota redesign for a \$200M SaaS client, projected to lift sales productivity 15%
- Led win/loss and customer-reference work on a technology PE diligence that closed a \$400M acquisition
- Promoted to Consultant a cycle early on the strength of client-facing work

LUMEN ANALYTICS

2016 – 2019

Software Engineer

San Francisco, CA

- Full-stack engineer at an early-stage B2B data-infrastructure startup (Python, React); scaled with the platform from 20 to 150 customers
- Built the public REST API that became the most-cited reason enterprise customers chose the platform
- Cut new-customer integration time from three weeks to four days
- Routinely pulled into pre-sales calls to handle prospects' technical questions

EDUCATION

HARVARD BUSINESS SCHOOL

2021 – 2023

MBA in Business Administration

Boston, MA

STANFORD UNIVERSITY

2012 – 2016

BS in Computer Science

Stanford, CA
